Weekend I-290 Lane Closures for Halsted Street Project

CHICAGO – The Illinois Department of Transportation (IDOT) today announced several weekend closures on eastbound Interstate 290 (Eisenhower Expressway) for work on the new Halsted Street bridge.

To allow for the construction of a pier along the Chicago Transit Authority's Blue Line at Halsted Street, the left lane of eastbound I-290 to Congress Parkway will be closed between Racine and Halsted streets, weather permitting, from 10 p.m. on Friday, Sept. 26, until 7 p.m. on Sunday, Sept. 28. All lanes will reopen by 7 a.m. Sunday, however, the far left lane be closed again from noon until 7 p.m. Sunday.

Between 1 and 7 a.m. on Saturday and 1 and 7 a.m. on Sunday, the two left lanes will be closed on eastbound I-290. A detour will be posted. Traffic will be routed to eastbound Interstate 90/94 (Dan Ryan Expressway) and the Taylor Street exit ramp, south on Union Street to Roosevelt Street, turning left to re-enter westbound I-90/94 ramp to access Congress Parkway.

This work is part of the ongoing Jane Byrne Interchange Improvement Project.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
